

Father's Day 2015

Manila, Philippines - To celebrate Father's Day we're posting an oldie but goodie father-daughter aviation story. Watch Team Aviair's Capt. Tony Halagueña on his retirement flight with his co-pilot, his youngest daughter:

Happy Father's Day to all the inspiring and hard-working dads in our lives!

*Update: Capt. Tony's two sons are now airline pilots too!
