LICENSING AUTHORITY

Learn more about civil aviation regulations in the Philippines:

[Civil Aviation Authority of the Philippines](#) (CAAP)

Aviair Aviation is an Approved Training Organization (ATO)/Flying School in the Philippines.

How to Begin Your Professional Pilot Training:

We recommend securing a medical certificate from the Office of the Flight Surgeon and Aviation Medicine (OFSAM) at CAAP before enrolling in a flying school: [CAAP Medical Clearance](#)
(Updated August 2015)

After the issuance of your medical clearance you can then enroll at Aviair Aviation and apply for your Student Pilot License (SPL): [SPL CAAP flowchart](#) (Updated August 2015)

INTERNATIONAL STUDENTS

Aviair Aviation is authorized to accept foreign/non-immigrant students. We extend assistance in processing the visa requirements of the Bureau of Immigration.

A Special Student Permit (SSP) from the Bureau of Immigration is required for foreign student pilots in the Philippines: [Special Study Permit](#) (Updated August 2015)
